SUBJECT: State and Federal Legislative Matrix

Since the April 7th meetings of the Regional Council and the policy committees, the State Legislature has accelerated its policy committee bill review since the conclusion of Spring Recess. Policy committees must report non-fiscal bills introduced in their house by tomorrow, May 6th. Fiscal committee review will take place thereafter, punctuated with the May 9th release of the Governor's Mid-Year Budget Revision, and must conclude by May 27th.

As of this writing on April 14th, SCAG is monitoring 266 state and federal bills. Of those generating the most interest are the Governor's GoCalifornia bills, the Assembly Democrats' transportation package (not yet introduced), and bills related to goods movement financing. At the federal level, the passage of TEA-LU occurred on March 10th. The Senate will take up SAFETEA in April, with a conference anticipated in May. Speculation has begun that another extension will be necessary to complete the negotiations, delaying the enactment of the reauthorization until June or July.
